

SETTING THE FOUNDATIONS FOR DEVELOPING GOOD ICT PRACTICE – BIRTH TO 5

We are delighted to be offering you the opportunity to attend the above conference in 2007.

Trainer: Professor Iram Siraj-Blatchford

Date: Monday 12 March 2007

Venue: North London Business Park
Oakleigh Road South
London N11 1NP

Time: 9.00 am – 3.30 pm

Iram Siraj-Blatchford is Professor of Early Childhood Education at the Institute of Education, University of London. Her current research projects include: Developmentally Appropriate Technology for Early Childhood in Europe; Evaluation of the Foundation Phase in Wales and she is co-director of the major DfES ten year study on Effective Pre-school and Primary Education 3-11 (EPPE 3-11) Project (1997-2008) and of the Effective Pedagogy in the Early Years project. She is particularly interested in undertaking research which aims to combat disadvantage and to give children and families from these background a head start. She is an advisor to Government and has worked for UNESCO and UNICEF. She is the co/author of over 30 books, monographs and major published research reports and over a 100 chapters, articles and reports.

The conference will be free of charge and lunch will be provided.

Please apply for places by filling in the attached form and return it by Friday 23 February 2007 to Paula Hales, Building 5, North London Business Park, Oakleigh Road South, London N11 1NP.
