

Do you know of a child who is living with someone who is not their parent or close relative?

If you do, that child could be privately fostered.

If you are a professional working with children or in contact with a child in a private fostering arrangement **it is your duty to notify us** as this will help ensure that the child is being cared for properly.

Private Fostering Workshop

23th April 2007

9:30am — 1:00pm

North London Business Park

Room 5 — Building 5

Oakleigh Road South

London N11 1NP

This event will include presentations and a workshop about everybody's role in safeguarding children in private fostering arrangements.

The presentations and workshop will explore:

- **Private fostering and our responsibilities to vulnerable children**
- **How we can overcome barriers to notification of private fostering arrangements**
- **Getting the message across to black and minority ethnic communities and establishing trust**

This event is aimed at everybody working with children in London Borough of Barnet.

There is no charge for this event.
