2005 - 2006

Directory of voluntary youth groups located in Harrow

This directory has been put together to help the teenagers of Harrow find projects that are taking place here in Harrow, just for people like them. These cover every aspect of pass times and activities, from fun and adventure, to sport, art, religion, education and much more.

The directory is in 2 main parts. The first is broken down into topic areas that the groups offer, the second part is an alphabetical listing to help you find the location of a group you may have heard off.

All of the groups listed in the directory are registered with Harrow Council.

Harrow Youth and Connexions Service work with and support the voluntary youth groups working in Harrow. As part of this support, we are able to assist young people with grants to take part in youth events and activities. For more information and an application form, please contact the Voluntary Sector Development Team.
