School Football Team

Cheam Common 2 The Avenue 2

After winning their first two league matches, Cheam Common were looking to consolidate their position at the top of the league against the team that they beat in last year's Cup Final—the Avenue. In a tight and competitive game, Cheam Common had the early play with Stefan and George linking well to threaten their opponent's goal but it was the Avenue who struck first when from Reece Lugard's challenge, the ball popped up kindly for the striker to slot home. Cheam fought back well and in the second half gradually began to get on top and were rewarded when Charlie Brown's left foot strike flew into the top corner. As Cheam looked to press on, the Avenue hit back and although Ollie Hoyle in goal made two fine saves, the ball again ran the Avenue's way to give them a single goal advantage. From then on it was all Cheam as they fought to Maintain their record of never losing an 11 aside match. Alfie Broadbent hit the crossbar and then after George had been pushed over, skipper Harry Hammerton's free kick was deflected in to the Avenue goal. In a hectic final period there were no further goals and the game ended as a hard fought draw. Cheam player of the match was Ryan Howard who did an excellent defensive job on the Avenue danger man Noah Vezzu and also set up a number of attacks of his own.

Cheam: Oliver Hoyle, Luke Capocciana, Harry Hammerton—Capt., Reece Lugard, Russell Watson, Paddy McMullen, Ryan Howard, Alfie Broadbent, Charlie Brown, George Miller, Stefan Ilic, Adam Lock

Next week Cheam play a league match on Tuesday at Westbourne—kick off 3.00pm and then on Friday in the first round of the Surrey Cup against Shottermill from Godalming—Cheam Rec Kick off 2.00pm

Cross Country

The first round of the Borough Cross Country league will be on Wednesday November 18th at the Sutton Arena. Letters of invitation have been sent out to all those children who ran in the cross country team last year and all the members of the Real Runners club. Children do not have to run if they don't wish to but if there are any other keen runners who would like to take part please ask Mr Easthope for a letter.

Anti Bullying Week

On Wednesday 4th November a production team of two people came into teach us about bullying. The show was called "The Power Of One" and it focused on how to recognise bullying what to do if you are being bullied and taught us how not to be a bystander. It taught us that we have "The Power Of One". They did short role-plays every ten minutes which involved bullying scenarios.

We really enjoyed the production and we are looking forward to the activities we will be doing in Anti-Bullying Week (16th-20th November)
