Absence from School

If you know that your child will not be in school please ring or leave a message as soon as possible. We will automatically contact the parents of any children who are unaccounted for each day after 9.30am. Please note that if you do phone the school there is no need for your child to bring in an absence letter on their return to school

Extended Schools

Congratulations to Dawn and her extended schools staff who ran the holiday scheme during the summer. The Club was inspected and achieved one of the top marks in the Borough. Provision of drama activities, cultural awareness, staff/child relations, interactions between children, organisation of staff and equipment and arrangements at the start and end of the day were all graded as outstanding. Extended schools provision goes from strength to strength as the numbers using the holiday club, breakfast club and after school club increase and excellent standards of care are maintained and improved. If you are interested in using any of the extended schools facilities please ask at reception.

Transfer to High School

This week children in Y6 took home a booklet and form for transfer to high school next year. Please note that if you live outside the Borough of Sutton you will need to obtain a form from your own Local Authority (Contact numbers are on the back of the booklet.) Forms often ask for the DCSF number of your child's present school – which for Cheam Common is 319/2006. I am always happy to see individual parents about their child's transfer but in addition the Local Authority provide 'Choice Advisers' to guide parents through the application process. The contact number for this service is 8640 4541 and there are a number of leaflets available from reception.
